Objet : Thanks for your e-mail

Many thanks for your e-mail and I apologize for the long delay in getting back to you. I have been on an extended book tour and am only now getting through a large volume of e-mail.

Unfortunately, Body of Secrets is not printed in French. Besides English, it is in German and will soon be in Arabic and Japanese. It seems there would be a large interest in France but no French publisher has thus far purchased it.

I enjoyed your web site and thanks for the mention of my book.

Best wishes,
Jim Bamford
